

Women Empowerment Sharing Session

Women's empowerment involves recognising one's own worth, making independent choices, and driving social change. To achieve these goals, Dr. Yasmin Raja plans to present a virtual sharing session on empowering women through leadership within their communities.

Dr. Raja Yasmin is a professional speaker, author and trainer, who specialises in Leadership, Marketing and Entrepreneurship, Dr. Yasmin Raja is the founder of Global Women Success and have obtained a Ph.D. degree in Marketing and Branding from Monash University, Caulfield, Australia. In 2019, she won the Australia Coach of the year.

This session aims to foster diversity and inclusion while empowering Malaysian women as part of an initiative to nurture talent within Malaysia's workforce.
